

Message sent from Olathe Public Schools

Parents and Students-

Thank you for a wonderful first semester. The students have done a tremendous job and I am thankful to be able to work with such amazing young adults!

A reminder as we head into the end of the calendar year that because the OE Band Boosters are a 5013C organization your donations to the group are tax deductible. We are currently at 84% of our budget for suggested contributions for the year. A reminder that the booster suggested contribution for Marching Band members is \$350 and the suggested contribution for Concert Band members is \$50. Please email Rebecca Novotny if you would like to pay the suggested contribution before the end of the year or if you would like a receipt for tax purposes. Here email address is:

rlnovotny113@gmail.com

Coming up quickly after winter break will be our annual Bingo Fundraiser that is used to fund the field show for the following year. We are in need of help from parents to gather giftcards for the prize baskets. If you can help please email Tera Jensen at the following email address:

tcj216@gmail.com

We are trying to go back to fully donated prize baskets instead of purchasing gift cards like we were doing every year prior to 2020. This is such an important fundraiser to help us stay at the highest competitive level in marching band in the State.

Thanks,
Mr. Smikahl

I hope everyone has a wonderful winter break!

Mr. Smikahl
