Hello!

In class today, we discussed our recording session for this quarter's musical selections. Students who are in Symphonic Band (1st hour) or Concert Band (3rd Hour), as well as select percussionists, are scheduled to record *El Zorro Rojo* and *The Mandalorian* on **Thursday, March 11th, from 7pm-7:45pm**. Just like the rehearsal we had earlier this quarter, this is not a required event, but highly encouraged if students are available. The closer we are to having the entire group we're used to in class, the more successful our recording will be. In order for me to plan our setup and be prepared for the videographer, I need to have an accurate count for the session. Students need to fill out this quick google form by Friday, Feb. 25th (<https://forms.gle/PhZvvqR1epD2QVe47>). Please email me if you have any questions or concerns at [jcreekoe@olatheschools.org](mailto:jcreekoe@olatheschools.org). Please don't respond to this email!

Thanks!

Mrs. Creek
