**Parents and Students**

A reminder that tonight is the Chipotle fundraiser for the band! Please be sure to show them the flyer when you order so we receive our donation! I have attached the flyer again. This fundraiser is for the boosters general fund and not a individual student fundraiser.

Also, a reminder that our cookie dough fundraiser is active and will be finishing up on April 27th. A reminder that this is for individual student accounts and will be applied towards their overall trip balance for next year.

Thanks,  
Mr. Smikahl
