

How to **order** and **crop** 3.5" Photo Button via Micah Marie Photography client gallery.

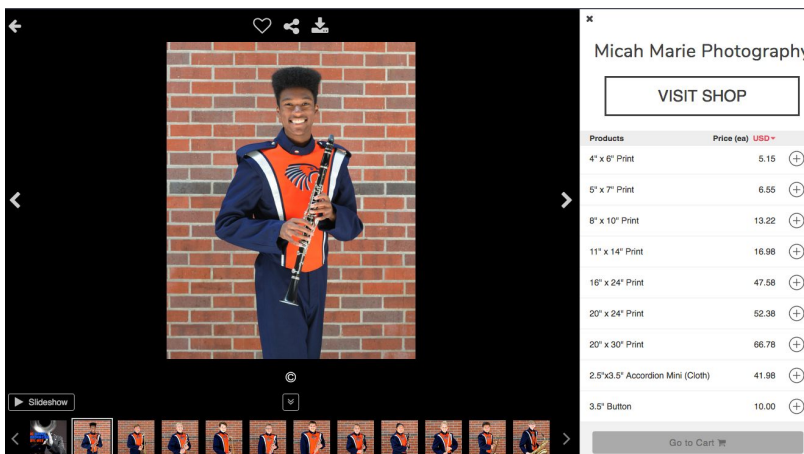

Step One: click on link to photos- <http://micahmariephotography.zenfolio.com/p481980641>
Enter "OE Band" client gallery.

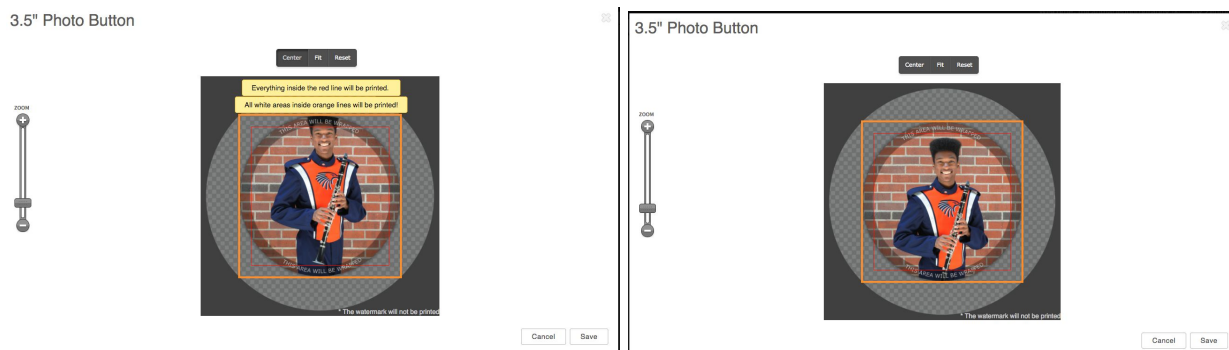

Step Two: Scroll down to photo of your student. Click on image to select.

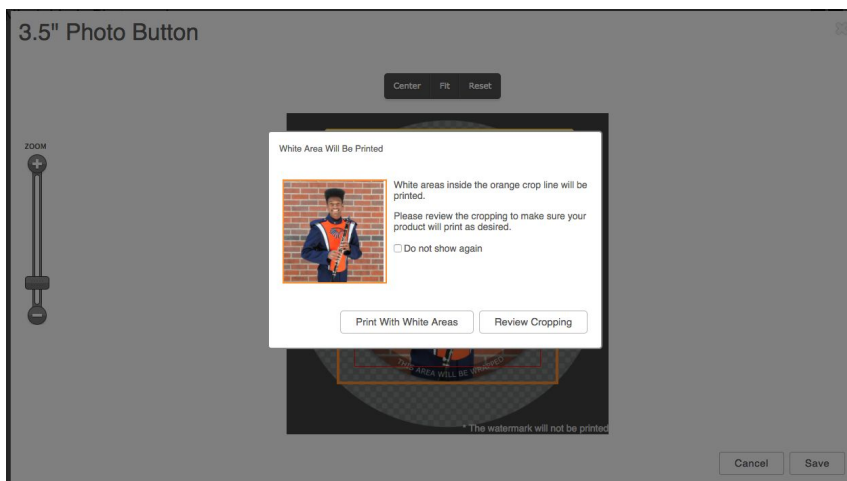

Step Three: Decide what you would like to purchase from the items listed on the right or choose visit shop. Select 3.5" Photo Button from the list on the right. *If you go to "visit shop" select "photo gifts" then "other gift" to view Photo Button option.*

Step Four: Click the “adjust crop” button and the image below will display. Now select the “zoom” tool, on the left, to adjust student’s face in the viewing area to the view you like best. Re-adjust “zoom” tool if needed. Everything in the red lines will be in final product.

Step Five: Click save and the site will confirm your crop adjustment with this memo below. If you are satisfied with final product click “print with white areas”. If you are not, readjust photo. This box may or may not show up depending on your individual crop adjustment.

Step Six: Click “save” and add item to cart. Proceed back to the shopping option to add other items to cart or click to checkout.
