Message sent from Olathe Public Schools

Parents-

The final trip payment is due this Friday. This is a hard deadline, and all student and chaperone accounts must be paid in full by Friday. The deadline was actually last Friday but I asked Bob Rogers to push it out an extra week to give us time to work through the final details.

For the 7 students who participated in the wrestling fundraiser please make sure you do not overpay and only pay the portion you owe minus the amount you made doing the fundraiser. If you are not sure how much you made on the wrestling fundraiser, please email me and I can give you an exact number. We are working hard to not have to deal with any reimbursements due to overpayment. The money you raised will be in your account by Friday, but it may not be in there sooner than that. In order to adjust your payment, you need to go into the Bob Rogers system and turn off auto pay so you can pay the adjusted amount. If it is set to auto pay it will automatically pay the remaining balance which is currently not accurate.

There are a few families that have other credits that I have emailed individually. Everyone else should be able to do payments like you have been throughout the entire process.

We will hold our mandatory trip meeting on Tuesday, March 26th at 7:00 p.m. in the auditorium.

I need every student who is traveling and a parent/guardian to attend this meeting. If you have a conflict with this date please let me know and I will make alternate plans for you to receive the information. I must meet with every student and their parent prior to departing for the trip.

Thanks,

Mr. Smikahl
