Parents and Students-

There has been a change to the final payment process from what I shared on Friday. Bob Rogers has agreed to extend the deadline to pay the final balance by one week. In the meantime, we are going to get each account credited with the amount that has been earned through fundraisers so that when you login to pay your final account payment the number that is in Bob Rogers will be correct. It should make things much less confusing for everyone. Please wait until Friday, January 21st to make your last payment. With this plan it also saves me from having to do 80 separate emails for the account fundraised for each student.

Tomorrow night at the booster meeting I will share the flight information for those wishing to make travel arrangements. There has been a request for a zoom component to the booster meeting so we will be in person in the band room at 7:00 p.m., but I will also run a zoom meeting at the same time. Here is the link if you would like to join on zoom: <https://olatheschools.zoom.us/j/6657628326>

If you cannot attend in person or online the minutes from the meeting will be posted to the band website in the next few days. Go to www.oeband.com and then click on the members only tab. Enter the password "Hawks" and then click on the tab for booster minutes.

My hope is by sharing the information in a meeting format versus an email format it will allow for questions to be asked and answered and will cut down on the individual emails I will need to answer.

One final piece of information.

Thanks,
Mr. Smikahl
