

Message sent from Olathe Public Schools

Parents and Students-

On Wednesday (tomorrow) students from hours 1,3, and some of the students in 7th hour will perform in the Olathe District Symphonic Band Festival. There will be two clinicians making tapes for each group and all the Symphonic Bands from all five Olathe high schools will sit in the auditorium and listen to each other perform. They need to arrive at 7:45 a.m. and will miss all of first hour and a portion of third hour. Students should "dress nice but not fancy". We have talked in depth in class about what is and isn't acceptable attire.

Wind Ensemble will have a very similar event on Thursday for the Olathe Wind Ensembles with the same report time and similar dress expectations. They will miss all of second hour and portion of advisory. We will be hosting both of these events at Olathe East.

On Monday, April 11th we will have our pre-contest concert in the auditorium at Olathe East. That event will include special guests the Washburn University Wind Ensemble who will perform on the second half of the concert. More information on report times for that concert will be coming. We will wear our concert tuxes and dresses for this performance.

On Thursday, April 14th we will host State Large Group Festival at Olathe East for both groups during the day. More information about a schedule for this event will be coming about this event as it gets closer. We will wear our concert tuxes and dresses for this performance.

Thanks,
Mr. Smikahl
