Subject: Additional OE Band Updates

Parents-

A few important updates that couldn't wait until next week's email.

Marching Band Pictures

I apologize for the continued confusion with this picture process. We have used this company for several years for pictures and while they do good work, they have changed their process and are not doing a good job communicating it with me. In addition to the email you should have received from them, you need the attached info to log in. Here is their message:

I'm excited to let you know that the 2023 gallery has officially launched!

Please reference the roster attached to find your access code. You will find your child's name and then scroll all the way to the right to find their "Access Code". You can use the link below paired with your access code to order photos!

If anybody has any questions or needs any assistance, please email me directly

(shiloah@photofieldhouse.com) Thank you for allowing us to serve you all this year! 😊

Forms and Fees

I also want to add that I forgot the booster form that they use to collect information when I emailed forms out the other day. You can find that form here:

https://www.oeband.com/files/ugd/3127a7_9e212f33bc2d426baac6fe0ef3109941.pdf

If you could include with the forms you are turning in I would appreciate it. A reminder we have Forms and Fee Night immediately preceding the OE Back to School Night on Thursday night.

Please swing by the band room and turn in or fill out your forms and pay for fees and contributions. We will be available in the band room from 5:30 to 7:00 p.m.

Drumline Performance

The snare, bass drums, and cymbals will do a very short performance with the drill team at the Fall Kick-off on Saturday morning. We will do a 10 to 15 minute performance out on the fields at 10 a.m. I am asking students to show up at 9:45 and wear their show shirt.

Thanks,

Mr. Smikahl
