Parents-

We have a tradition at Olathe East where band, choir, and orchestra parents serve the post-concert refreshments at each other's concerts so that those parents don't have to miss out on their own child's performance in a group.

This year we will be serving refreshments at the Orchestra concert and Choir parents will be serving refreshments after our concert. There are two sign-ups below. One is to be one of the parents to serve refreshments at the Orchestra concert, the second is to volunteer to bring some cookies to our concert (that the choir parents will serve). The orchestra concert is on Thursday, Dec. 9th and he expects it to last an hour.
