Parents-

I have mentioned several times in class, but wanted to let you know I have canceled our Monday evening rehearsal. At this point in the season we need more time on the field than we do inside the auditorium. Unfortunately, it gets dark so early there is not much field time available.

Also, a reminder if you have photos or videos from this season to put them in our shared google folder so everyone has access to them. Putting them in here allows us to have the original file version instead of the compressed version on Facebook. Here is the link if you don't have it:

A reminder that this is a shared folder so please make copies of pictures you want, don't drag them out of the folder or nobody else will have access to them.

Finally, I wanted to ask a request. We have a lot of individual photos of the show this year. If someone with a good camera is willing, I would love to have someone sit up high and take pictures of the entire group of the field from a higher vantage point. If you are interested in doing that please let me know.

I hope to get the trip sheet out to everyone tomorrow. Still waiting on some additional parking information.

Thanks,
Mr. Smikahl
