Parents and Students:

A great start to the year last week. Please see the information below for this week and email me if you have questions.

Forms

It was great to meet many of you at Back to School Night last week. A reminder that the required forms are due in the band office this Friday by 3:00 p.m. I need to get some of these forms turned in to the administration so it is important that this gets taken care of. I have attached the forms to this email and also have hard copies available in the band office. Please email me if you have questions. The booster treasurer will be in attendance for those needing to pay their fees or suggest contributions.

Marching Band

It is supposed to continue to be hot this week. Students should bring their own water to every rehearsal this week (including morning rehearsals). Students are required to pass-off the opener to a leadership team member by today (8-23-21).

Boosters

Tomorrow night, at 7:00 p.m. in the band room (415) we will hold our first booster meeting of the year. Door Z will be unlocked for you to enter. I will be covering in depth specific details for marching season and the trip as well as regular booster business. This is the best way to be plugged in and understand what is happening with the marching band. District mandate requires masks for all in attendance.

Below are some sign-ups for help/items of need for the marching band.

Spirit Wear

A reminder that our spirit wear shop is online and active. <https://maeby-prints.myshopify.com/>

If you are wanting to have the items in time for the first game on September 23rd I would order as soon as possible.

Thanks,
Mr. Smikahl
