Parents and Students-

Thanks to everyone who attended the concert last night. I thought the kids did an amazing job battling through the wind and had great performances. Below is the link to order tickets for the Percussion Show. There is no reserved seating, but the auditorium will be taped into sections of fours and twos. If you come as a group of two please don't sit in a section taped off for four. We hope you will consider coming out and supporting these kids. Funds will go towards maintenance and repair of our large collection of percussion instruments. Show starts at 7:00 p.m.!
