Message sent from Olathe Public Schools

Parents and Students-

Below is information on two fundraisers for the trip to NYC and the playoff football game for marching band.

### **Cookie Dough**

The sale ends tomorrow. For all cash/check sales students must bring their money and orders tomorrow. The fundraising company will be at East to collect funds and place the order for product. No late orders will be accepted.

Students that do not bring their order and money tomorrow will need to cancel their orders and return money to everyone that ordered from them.

### **Mattress Sale**

Tomorrow night at 6:30 p.m. in the band room we will have a short meeting to kick-off the mattress fundraiser. They will donate 5\$ to the band for every parent that is at the meeting so I hope we can get a big crowd and get some free money for the program. This will be a short meeting and we will have materials to

hand out including yard signs for those interested.

### **Football Playoff Game**

Thanks to everyone who helped with competition season. I will send out more on that later. We will be hosting a playoff game on Thursday at CBAC. We will have a rehearsal on Wednesday morning at 7:15 a.m. so that we can review pre-game and the half-time show before the game on Thursday.

Report time for the game will be 5:15 p.m. and we will wear the dry fit shirt.

Thanks,  
Mr. Smikahl
