Message sent from Olathe Public Schools

Parents and Students_

When you registered for the trip you provided this information, but Bob Rogers has asked for me to reach out and double check. Please email me directly if you have any food allergies or dietary concerns for the trip. I want to make sure we make plans for those needs and in order to do so we need that information by the end of the day tomorrow.

I also wanted to give an update on fundraising. We are very close to wrapping up the concession fundraiser. That is the last fundraiser I am waiting on as I have the totals for all the other fundraisers. Once I have that information I will email individuals and let you know what you have raised and then you will know what your balance will be for your last trip payment. My goal is to try and get that information for you before we leave for winter break.

Thanks,
Mr. Smikahl
