EDUCATORS ASSOCIATION

## Message from the District President,

In a non-pandemic year, this program is a guide to an incredible day of music made by remarkable student performers. While we are unable to host that experience, we feel it important to recognize the student musicians and educators that are the heart and soul of the East Central Kansas Music Educators Association.

You have my sincere appreciation for taking a few moments to read through this program, which is a celebration of our phenomenally talented and hard working students and their teachers. Parents, we hope you can use this program as a keepsake. I know I speak for all of our ECKMEA educators when I say that your children are near and dear to our hearts.

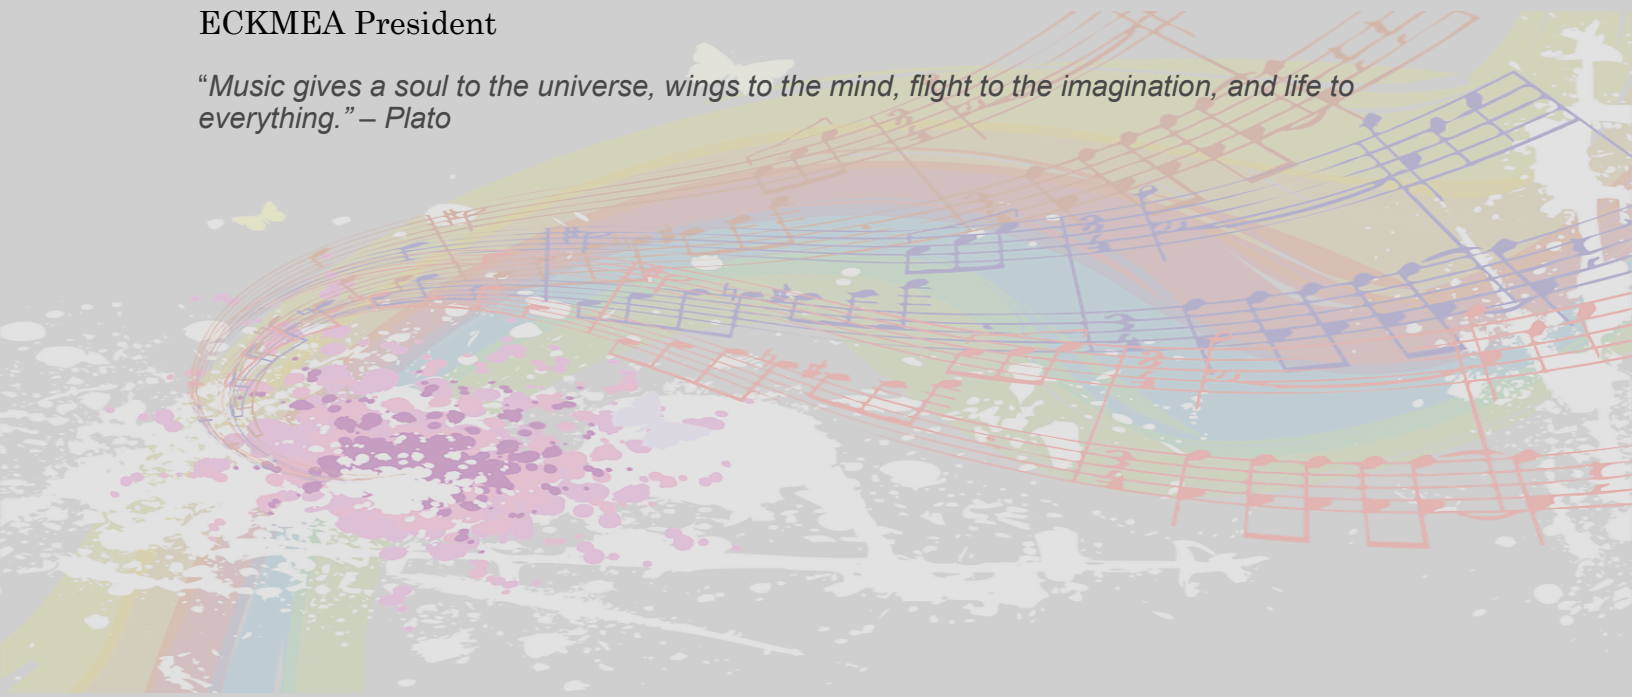

I would like to highlight some of the contents in this program, as special attention is warranted:

- Please read the list of our ECKMEA honor educators for 2020-2021. This set of award winners are among the strongest educators and finest people you will ever meet.
- Parents/Students: please note that you can order t-shirts and plaques to commemorate the remarkable achievement of earning a place in our District Honor Ensembles. You can find ordering information in this program.
- Senior members of our ECKMEA Ensembles: please read about our ECKMEA scholarship and apply! Information is contained in this program.
- Support our local vendors! We have AMAZING music vendors in ECKMEA. All are committed to supporting music in our schools, and they are able to do so because of your patronage. Thank you for supporting our local music merchants!

*"Music is the one time when my head isn't filled with briefs and opinions. All that is put on a shelf, and I just... enjoy." - Ruth Bader Ginsburg.* I hope this program provides you a moment to just... enjoy. Best wishes to all.

Musically yours,  
Dan Freeman  
ECKMEA President

*"Music gives a soul to the universe, wings to the mind, flight to the imagination, and life to everything." – Plato*

## **2020-2021 ECKMEA Awards**

Each of these award winners were nominated by their colleagues for their exceptional teaching and support of music students. They stand tall among the ranks of the finest music educators. The administrator awards recognize school administrators who extend the highest levels of support to their music students and educators. They are also fierce advocates for music. We extend a well-deserved congratulations to each of our recipients!
