Our biggest need at this point is clean-up at the very end.

On Saturday marchers will be fed dinner at OMI. If your marcher has a special diet (no dairy/no gluten/vegan only/vegetarian only) that was NOT marked on their health form please email Tera at tcj216@gmail.com ASAP.

If your marcher has a dietary requirement that WAS noted on their health form, we have taken it into consideration and will have suitable meals for them. THEY ARE IN CHARGE of finding Tera or any other hospitality volunteer that can give them info on what is safe for them.

Please remember that directing, transporting, guiding and feeding your students takes hours and days of preparation, lots of money and

even more patience. Gentle reminder that we will all be short on sleep this week but we all have the same goals: ensure a safe and successful experience for all the marchers, volunteers, spectators and judges at all the events. As a co-host, we follow Mr. Smilkahl's mantra "Keep it classy". So please remember to make all our guests feel welcome at CBAC, be helpful in any way you can, be flexible in case of weather or other issues and be sure to be gracious to our directors and their assistants.
