Message sent from Olathe Public Schools

Parents and Students:

Please see the link at the very bottom of this email. We are trying to get email contact information for all marching students and their parents because next week I will lose access to my grade book and any email lists. Right now we only have around half of the families who have filled out the link.

Leadership Team

Congratulations to the leadership team for next year! Attached is a pdf with the list of students and the date of our training session.

Camp Carwash Clarification

The shifts for the carwash in the email did not match the shifts on the calendar I attached last time. I apologize for the confusion. Please use the shift times listed below in this email. Also, we could use a few more parents to help with shifts for the carwash. The students do all of the actual work, parents are there for "quality control" to make sure we are not sending out dirty cars.

Thanks,
Mr. Smikahl

We are holding our pre-camp carwash earlier this year because we are trying to use it as a team building exercise to get the students to know each other better. Please see details below:

Parents, here are a few upcoming Booster activities.

Car Wash - May 22

We will need a few parents to help supervise and donate bottles of water. Please use this link to sign up. <https://www.signupgenius.com/go/30E054AAEA829A5F85-2019>

9-11 am Flutes and Clarinets

11-1 pm Saxes, Mellos, and Trumpets

1-3 pm Drumline (Pit and Battery), Trombones, Baritones, Tubas

Savers Fundraiser - Please see the attached Flyer

You can drop off your donations (or have your student drop them off) during pre-camp.

Information Request - In order for the band to reach you this summer we need to collect your emails. Mr. Smikahl will not have access to ParentVue during the summer months. There will be many important communications regarding band camp, fundraisers, and the start of school that will need to be emailed before school starts in August. Please fill out this very short (30 seconds) survey **NOW** so you will be informed all summer.

Looking forward to a great 2021-22 Season,

Susan Willard

Booster President
