

Message sent from Olathe Public Schools

Parents and Students:

We will be recording our contest recording next Friday, April 2nd in class. Remote students can attend this recording and I will let them go 30 minutes early at the end of class so that they have time to get back home and be ready for their next online class. I would like students to arrive to school at 7:30 a.m. so that we can be setup on stage and ready to start the recording session right at 7:45 a.m. when class starts. I am asking that student dress "nice" for this recording session since it will be our contest performance for the year.

In order to be ready to add in our remote students for this recording session we will need to have a 6:50 a.m. rehearsal on Tuesday, March 30th. I will end rehearsal by 7:30 a.m. so that remote students can return to home and be ready for the start of school. If they live further away and need more time just let me know and I will let them leave a little earlier.

Thanks,
Mr. Smikahl
