Parents and Students-

It looks like the rain will be out of the area in time to have the concert this evening. We will plan to go ahead and have the performance outside on the West side of the building this evening. Please see the specific plans below:

- Percussion Students should report tonight at 5:15 p.m.
- All other students should report at 5:30 p.m.
- Parents please make sure you bring a folding lawn chair with you. We will have chairs for the students available, but not the audience.
- A reminder we are asking everyone in attendance to wear a mask.
- It is supposed to warm-up as we get closer to concert time, but it will still be colder than normal for this time of year. While the expectation is still that students should "dress nice", it is o.k. if they need to also bring a jacket or sweater with them to wear. Think of it as marching band weather only we will be not moving!
- Parents and Students should all park on the **North or South side of the building. Please do not park on the West side of the building as that will be the performance and audience area.**
- One last reminder for parents of seniors that we will ask for you to come down to the front when you hear your child's senior memory come over the speakers.
- Reminder this event starts at 6:00 p.m. We usually don't start the music until 6:30, but since we are not eating cake it will probably start sooner than that.

I am really looking forward to having an event with all the students in attendance and making the evening special for our seniors.

Thanks,
Mr. Smikahl
