

Hi everyone,

Here are a few reminders about all the extra activities we have at our game tomorrow:

Senior Night:

All Senior parents should report to the front sideline at the beginning of halftime. You will line up along the front sideline in alphabetical order from the north end of the stadium to the south. There is a diagram [HERE](#) (and attached to this email) which shows where you will stand at the end of the halftime show letters across the front sideline indicate where each family stands. Scroll to the second page of the PDF to see which letter corresponds with your student. We'll have staff down there to assist you as well.

After the band performs, you will be shown where to stand on the field where you will be easily seen, and your student will come to you.

Glow Show:

Students will need to bring a black/navy clothes to change into AFTER we perform halftime. Students should wear long sleeves and long pants because we use tape to adhere lights and glow sticks to them, and it's not a fun post show experience to pull that tape off of bare arms and legs. Students will not use any part of their uniform during the glow show, as we do not want to ruin the fabric with tape residue.

Students will have 3rd quarter to get their glow gear on. We'll return to the stands, and once the game is over, we'll set a 10 minute countdown to lights out in the stadium. Students will take the field and perform. After we perform, students are REQUIRED to help clean up any leftover tape scraps, glow sticks, lights, etc. We will not leave until the stadium is clear of glow show items.

Students--You will keep your glow show designs classy. If you have to ask whether your design choice would pass my definition of classy, then don't use it.

All the best,

Rebecca Fillingham and Chad Reed
