

Hi all!

As we get prepped for our first day of pre-camp, I wanted to highlight two things at the top of this email:

1. **We are rescheduling the car wash for Saturday, June 6** with a slightly shortened time frame to make the best use of the students that are able to come. See the car wash information below for details.
2. **For precamp, students should wear tennis shoes/sneakers and comfortable, weather appropriate clothes to marching band camp. No sandals, flip flops, crocs, etc.** You will need comfortable, secure footwear for this activity. I also highly recommend steering clear of jeans and other heavy fabrics. See info below for other items to bring with you.
